*W*elcome!

We hope you find the answers to all of your questions regarding membership with the chamber within this packet. Please feel free to contact us if there is something that we have not covered that you are interested in.

Enclosed are several pages of information regarding the Brownsburg Chamber of Commerce along with a Membership Application. We hope that the information will be informative and that it will heighten your interest in knowing more about, and becoming a member of, the Brownsburg Chamber. It would be our honor to discuss the Chamber of Commerce with you and the benefits of membership.

Our membership continues to grow, as does our community and surrounding areas. We are working very diligently behind the scenes to provide our community residents, like you, the many business needs that are being requested. The Chamber works closely with the Town of Brownsburg, and other community leaders, with providing our community its needs. This is a continual challenge and requires participation in the many local and county meetings of various political organizations as well as those in the private and not-for-profit sectors.

If there are any questions, please do not hesitate to give us a call. We would be very happy to meet and discuss with you anything about our community, as well as provide additional information that we have that would benefit your search for more knowledge about the Brownsburg community.

Thank you for your membership consideration and we look forward to working with you in your business venture.

Sincerely,

The Brownsburg Chamber of Commerce
